To,

The Director Health Services,
SDA Complex, Kasumpti, Shimla,
Himachal Pradesh.

Subject: Mandatory Registration of Medical Officers working under the
Department of Health and Family Welfare Shimla.
Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. It has come to the notice of the undersigned that many of the Medical Officers posted within the Department of Health and Family Welfare are practicing without having timely renewed Himachal Pradesh State Medical Council Registration.

Ensuring that all medical officers are properly registered is crucial for maintaining the highest standards of healthcare delivery. Registration helps verify the credentials, qualifications, and professional standing of medical officers, thereby instilling confidence in the public regarding the quality of medical services provided.

In addition, mandatory registration is in line with regulatory requirements and professional standards, aiding in the monitoring and continuous professional development of medical personnel. It also ensures that all medical officers adhere to the ethical and legal obligations of their profession.

I kindly request you to take necessary steps to enforce the mandatory registration of all medical officers. This will significantly enhance the efficiency and reliability of our healthcare system.

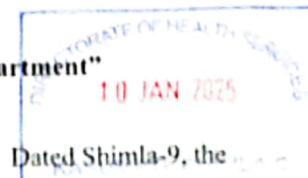

Thank you for your attention to this matter. I look forward to your prompt action and support.

Yours sincerely,

(Dr Neetu Sharma)
Registrar
