

The State of Himachal Pradesh is having mobile food testing laboratories (MFTL) which are testing food articles like oil, drinking water, juices, sauces, pulses, salt, condiments, milk and milk products. The training programs and awareness campaign are also conducted through these vans for general public. The roaster of these vans is tabulated below:-

| Sr.No. | Vehicle Number          | Name of District | Date & Palace                                  | Contact No.  |
|--------|-------------------------|------------------|--|--|
